## RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the Examiner's requirement for an election of the claims, mailed February 20, 2003, in the above-identified patent application, Applicant elects **Group I**, Claims 1-54 and 112-148,<sup>1</sup> drawn to a stacked die assembly.

In response to the Examiner's requirement for an election of species, Applicant elects **Species 1**, with traverse.

<sup>1</sup> Applicant notes that the Group designations mistakenly lists Claims 112-148 as method claims in Group II, but that the Examiner correctly addressed these claims as being within Species of Group I.
